PRESIDENT'S REPORT

SEASON 1984/85

On first reflection, season 1984/85 could easily be judged as very disappointing, no premierships for the second season in succession and only one team making the grandfinal.

However, when one considered that five out of the six teams did make the finals (only one last year) with a new Coach and such a great influx of new players, it was quite commendable by most standards. I do not believe we as a Club, should lower our standards or expectations, but I think our performance should be measured in the light that both the A and B grade teams competed in the semi finals after the loss of at least 50% of the previous seasons' senior players.

My special congratulations go to the selectors and all the on field leaders for their efforts, particularly Neil Clark in his first year. It must have been very difficult for Megs to take over a Club with such great past success but he tackled the job head on and with great endeavour and I am sure his efforts will be better rewarded in the seasons ahead.

The best thing to come out of 84/85 was undoubtedly the influx of new, young players, and the continued advancement of junior players progressing through the grades. This youth policy can only be to the betterment of the Club's future and hopefully, it can be further enhanced by the appointment of a "skills" Coach next season.

Several young players advanced through to the A and B grade teams and performed admirably. Particular mention should be made of Mark Brincat whose continued improvement, I believe, should be a source of encouragement to all young players within the Club. I would also like to congratulate Paul Zerella whose personal performances this season were outstanding and stand as clear evidence to all, as to what can be achieved when you decide to really "put in".

Off the field, the never ending problem of lack of real contributors and dwindling numbers continued. We must realise that we are no longer in a young area and therefore must work hard at securing new members and creating a good atmosphere and fellowship around the Club so members can be retained. This is the responsibility of everyone, not just a few. My special thanks to those who did regularly contribute, particularly Geoff, Ian, Kevin and to Paul Bolt in his challenging first year as Secretary. In addition, I would like to convey my thanks to all Captains, Managers and Coaches for their special help, to our patron, Des Jervis for his continued support, to Nance and Deborah, and to all my committee members and others for their work and support during 1984/85.

Finally, with much regret, I advise that at this Annual General Meeting, I will not be seeking re-election as President. With my continually growing work commitments, I am finding it impossible to devote the necessary time that this important position deserves. I have enjoyed immensely my three year term as President and undoubtedly will miss the involvement, but pledge what ever time I have available to the assistance of my successor and the Club in general.

I wish the President, his Committee, the Coach and all the Players every success in season 1985/86.

CASEY RADCLIFFE
PRESIDENT

TREASURER'S REPORT

1984 / 85

Our financial statements show that, after adding back the depreciation charge (wear and tear on tables, chairs, TV, etc.) we operated at a small profit for the year. This was achieved even after paying honorariums, meeting a large presentation night expense, and providing benefits to all members.

We should all take note of the many expenses that have to be met by the Club. It is not just a case of filling the fridges and buying some equipment. I would like to thank those people who, during the season, helped organise and run social functions and assisted with the refreshments, afternoon teas, etc.

It is important to the long term future of the Club that as many people as possible become involved in the operations of the Club, including the social side of things. Not only do many hands make light work but the more ideas, the more opportunities we have to enjoy ourselves.

GEOFF BAKER
HONORARY TREASURER

SPECIAL THANKS

To my typist, Mrs. Lesley Searle, for her continued support and co-operation in the presentation of this Annual Report.

DENIS MILLS.

SECRETARY'S REPORT

1984 / 85

In this, my first season as Secretary, I must say that I have enjoyed being involved in the running of the Club in a fuller capacity. Whilst taking a while to learn the ropes due to the fact that former secretary, Mr Denis Mills, decided to get married early in the season, I have thoroughly enjoyed the secretarial position and gained confidence as the season progressed. Congratulations to Denis and Maria.

I must thank my fellow committee members, especially Mr C Radcliffe, Mr G Baker, Mr P Carr and Mr I Giddons for all their help and support throughout the season. It made me realise how much time and effort they put into the running of the Club to make it successful. What the club needs is more people like these four to help out and get involved, as too much is expected of too few.

I would also like to convey my gratitude to everybody around the Club who helps in some way to run the Club effectively, to ;

Our patron, Mr Des Jervis, for his continued generosity throughout the season.

Neil Clark, captain coach of the firsts, and to all captains and coaches for a fine effort during the season.

The ladies for their help in making afternoon teas, etc. which are much appreciated by players and spectators alike, and for their support during and after the games.

Similarly, congratulations must go to all trophy winners and to John McCleish on being awarded a ten year certificate.

Although the Club was not as successful as it has been in previous seasons, four out of the five sides made the finals, which shows that the talent is there for the Club to be successful next season. All it takes is a bit of commitment by everyone associated with the Club.

Finally, I would like to wish everybody at the Club the best of luck for next season.

PAUL BOLT
HON. SECRETARY

CAPTAIN COACH'S REPORT

FIRST XI

Season 1984/85 for a Club of the standing of Keon Park Cricket Club was possibly considered dismal and dissappointing but when we take into account the "player turnover", I feel we performed admirably. The obvious ability from our up and coming Under 16's, the now groomed younger players, combined with our "old hands" should hold us in good stead for the oncoming season.

Personnally, I wish to thank the committee of the Keon Park Cricket Club for my appointment last season and again in season 1985/86, as it is an honour to coach a Club with a totally professional off-field outlook.

As for the season just completed, the 'A' Grade side finished the season after being defeated by Kingsbury in the semi-final. This game highlighted the teams' performances throughout the season, with our bowlers contributing magnificently, but continually being let down by dropped catches and the inability of our batsmen to make a winning score.

To all trophy winners, I again pass on my congratulations, in particular to "Zappa" Zerella who took out the 'A' Grade double, which included a personal performance against Northern Socials that won't be forgotten for a long time.

To my Vice Captain "Dizzy" Lynch, I wish to thank him for his continued support and advice throughout the season, along with our fellow selectors who steered a straight course throughout the season.

NEIL CLARK
CAPTAIN COACH

CAPTAIN'S REPORT

SECOND XI

The Second XI finally produced some of the form that we all know was there, but hadn't been shown since "Lethal Lee's XI" won the flag back in 79/80. It was certainly no disgrace to be beaten by the eventual Premiers, Preston Druids, in the semi final. With a little more application and some luck going our way at the right time, the result could easily have been reversed.

I would like to thank all the players who played with the Second XI during the year. Without each and everyone of you, the side would not have been so successful. A special thanks to John McCleish for his assistance, thoughts and constructive advice during the season. Hopefully, John will be able to continue this in the years to come. Many thanks John!

Congratulations to the following players who played in the Second XI :

- a. **Brian Reardon** (Bowling average winner). Brian's performances during the season were outstanding, and his efforts were responsible for more than one win. Many a time Brian bowled too well for the standard of cricket in 'B' grade.
- b. **Denis Mills** (Batting average winner). Denis, after taking a couple of games to come to grips with himself, compiled his maiden JIKA century. Congratulations Denis! This season should see more of that type of achievement.
- c. The players who fought their way up through the Third XI and, without exception, performed admirably, and
- d. Those players who, through hard work and good performances, won promotion to the First XI.

I take this opportunity to wish all players the best of luck and good fortune for the 1985/86 season.

CAPTAIN'S REPORT

THIRD XI

After several years of relying on juniors not only to assist, but to provide the nucleus of the side, it was a pleasing situation when there were sufficient non juniors, with the aid of some juniors who were selected on merit and not necessity.

Overall, morale, endeavour and comradeship was a big improvement on previous years and was shown in the performances on the field where everyone tried and supported each other as a team, and captain John Radcliffe must be congratulated for instilling comradeship and spirit in the side.

It was pleasing to see the majority of this side join in Club activities and meeting all Club members and making themselves known. When you know other Club members socially, you enjoy your cricket better and the Club is stronger.

Overall on the playing side, the Third XI season was disappointing.

After a good start to the season, a finals appearance should have been achieved.

For several seasons now, the thirds have produced some indifferent batting performances, and pitiful performances in three games should not have happened with the ability of the players in the side.

Whilst good performances can generally be attributed to a team effort and substantial partnerships, the poor performances were normally a result of when three quick, early wickets were lost, no partnerships were produced. It was left to one person to try and save the innings. More endeavour must be made by the middle order or late order players, especially when a team needs a recovery. It is a very good opportunity to prove yourself and show that you should be either batting higher, or in a higher grade.

It should be remembered that a Club is only strong when the lower grades put pressure on the higher grade players and not just turn up for a game. Even social cricket is more enjoyable when you WIN.

It should be noted that only three players scored more than 40 runs in an innings.

In closing, I would like to thank all the ladies who assisted in providing afternoon tea, coach Neil Clark, captain John Radcliffe, all the players for supporting both John and myself, congratulate all trophy winners, Warren Stewart and the Under 16 players on making the grand final, welcome all new players and look forward to the younger and newer players furthering their careers with the years experience.

MANAGER'S REPORT

UNDER 16

After an indifferent start to the season, the Under 16's showed their true talent winning every game after Christmas and thus making the finals.

In the semi-final, they defeated previously unbeaten Preston Socials in a close game to make the Grand Final. Although defeated in the Grand Final, the boys played the game out to the end and certainly were not disgraced, as it was a tremendous effort to make the Grand Final.

I would like to thank all the people who helped me out during the season, especially Greg Wilson who coached the team in the first half of the season. It certainly wasn't his fault that the team performed so poorly before Christmas. Also to Mr Stewie O'Brien for all the advice he gave me and his help in transporting the players, and Mr Tony Aiello for his help scoring during the season.

To the players, I would like to congratulate them for their efforts during the season. Before Christmas they were out of the four, but then knuckled down and showed their true ability. Players such as Warren Stewart (captain) vice captain Anthony Crutchley, Lino Taglieri and Glen Turner, all who will play seniors next season show tremendous potential, and with Kane O'Brien and Alex Joannou still available for the Under 16's, the Club can only benefit in the years to come.

MANAGER'S REPORT

UNDER 14

After a slow start to the season and two very narrow losses, the boys fought back and made the finals. Some bad luck again dealt a blow in the semi final, when four fatal run outs occurred, three of which were the first six batsmen. However, well led by their captain Cyrus D'Cruz, we fought back just failing to win.

From the 1983/84 U14 side, three good batsmen, John Alberti - 'JIKA' permit to play with Reservoir RSL, Kiril (Boobi) Marinoski - premature retirement and Kevin Whitmore - car accident, all only managed to play only three games between them, and their loss was hard to overcome.

This season there were some very talented young cricketers in the side who also displayed a fighting spirit and never gave up, who I feel will all be good cricketers for the Club. However, I re-iterate last season's sentiments that the Club appoint a junior coach to teach batting and bowling techniques. A manager cannot look after all the boys at training and then be expected to individually teach them.

My thanks to Cyrus D'Cruz (captain) and all the players for their support, Mick Muleta, Anthony Aiello for their assistance, and all those other members who attended games throughout the season.
